

CHESTERFIELD COUNCIL ON AGING

Mental Health Issues For Older Adults

The program will give an overview of common mental health disorders affecting older adults. The participants will learn about the different mental health disorders and Alzheimer's/Dementia diagnoses. We'll discuss treatment modalities, medications and side effects.

Grace Thomas White, a Senior Mental Health Clinician with the Chesterfield Department of Social Services, will present the program.

Thursday, June 24, 2010

9:00—10:00 am

**Lucy Corr Village, Multi Purpose Room
6800 Lucy Corr Boulevard, Chesterfield**
